**Re: CPC DISCIPLESHIP TRAINING – FEBRUARY 16-25, 2017
24 HOURS DELAY OF EVENING LIVE TELECAST UPLINKED
FROM HOHOLA SDA CHURCH**

Christian Greetings in the name of Jesus.

The conference is once again hosting live telecast uplinked from the Hohola Seventh-day Adventist church on a 24 hours delay for the Discipleship Training scheduled from 16th – 25th February 2017, and it will run for only ten days. The evening sessions via Hope Channel will start from 6.00 pm and finish at 9.00 pm. The morning sessions will be held only for the ministerial workers, school headmasters, health mission workers, literature evangelists in NCD. Recording will be done for the workers attending the morning sessions to cater the rural workers who will not attend.

Dr Peter Ronnfeldt has been invited to facilitate for the Discipleship Training and he is expected to arrive in Port Moresby on Thursday 16th February 2017. He will teach about church planting, leadership and related topics to suit the need of making discipleship activities effective.

We encourage all churches with satellite disks to ensure every church member is involved in this very important training each evenings at all downlink sites. Those churches without disks may seek the guidance of their organized churches or go to the nearest downlink sites for viewing and participation.

You can participate from your home if you are hooked on Click TV. We encourage to allow your homes open to the church family staying within your vicinity and who cannot make it to the downlink sites. Ensure that you set up your preliminary program with prayer and praise before viewing begins. Spend these moments together in divine unity and prayers as in Acts 2. Any duty church leader, you are responsible for the entire church family at the downlink site to ensure the program is functioning well and that the church is earnestly praying together.

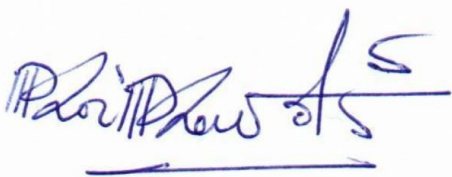

The PNG Union Mission got a target of reaching 4 Million church members by 2020. This is a big challenge and we must ALL make agonizing PRAYERS together for the unceasing outpouring of the Holy Spirit to water the field as we continue our mission of one to one or as a church group for the salvation of those who want to accept the Lord as their personal savior and await His soon return.

Church! We got no time to waste! And do not be afraid but be excited to enjoy the great blessings of being part of this great global Adventist movement in saving the lost humanity. We reach up, reach in, reach across individuals, families and communities to make disciples for Jesus Christ through the global Total Member Involvement (TMI) initiative which encourages every member of the Seventh-day Adventist global church involved in God's last day message.

God be with you as you enjoy the great blessings during the Discipleship Training and the TMI initiative which we have launched recently on Sunday 22nd January at the Jack Pidik Oval. It was entrusted upon each one of us to hasten Jesus soon coming.

Thank you for your cooperation and unity.

Yours sincerely
