Central Papua Conference  
2017

The Children Ministries of Central Papua Conference wishes to thank the hard working Children Leaders, Sabbath School Leaders, supportive parents and guardians and the local church as a whole for ministering to the needs of the children in the events and activities for the year 2017.

Thank you so much for serving Children sacrificing your time , resources and your love for the kids in your local churches. I believe you have encountered challenges that tested your Patience and faithfulness in executing your church duties but because you love God you were able to make it through this year with God .

If you have given up along the way because you couldn't bear the challenges or because your challenges were too great to handle I want to encourage you to look up and get your strength from God because He has promised in Philippians 4:13 that you and I can do all things through Christ who strengthens us.

To the upcoming Children Leaders for 2018 welcome to the Ministry of children and plan to visit the Children Ministry office on the last week of January to collect the Children Ministry Resource Book for 2018. CPC Activity plans and itinerary can be obtained from the NCD office and from the rural District Head Quarters of the Conference

Thanks for lending a  
'HAND'  
to our Children's  
Ministry!

"...the Lord your God will  
bless you in all your work  
and in everything you put  
your hand to." Deut. 15:10

Merry  
Christmas!
