Seven Strategic Intents (CPC Corporate Plan | 2015 - 2019, Pg 13)

No.	Strategic Intent	Objective Outcome
1	Witnessing and Soul Winning	Communities bridged and saved through preaching, teaching and community services.
2	Discipleship and Nurturing	(i) Decreased apostasy and increased maturity in the faith. (ii) The people of God in the conference are Christ-like, spirit-filled, excelling in faith and actively witnessing to the world about the love of God and the soon return of His Son Jesus Christ.
3	Quality Service Delivery	Church and communities participating and enjoying the quality services that reflect the great love of God and His mission to save.
4	Active Stewardship	Empowered people with improved living standards through proper management of time, skills, health (lifestyles) and resources to give glory and honour to God.
5	Adventist Identity	That members of the Seventh-day Adventist Church uphold the Church's identity and theology in their lifestyles - the way they live, build homes, churches, schools and other institutions throughout the Conference.
6	Human Resource and Organizational Development	The conference reaching a new level of development and progress because of: (i) The corporate mechanism being restructured to enhance and empower the changes to achieve maximum performance in the mission of the church. (ii) Improved working conditions that invites highly - skilled and God-fearing workforce that has passion and motivation for the mission of the church.
7	Infrastructure Development	Mission expansion through efficient and effective use of its resources and assets in the Conference.
