**Subject:** Medical missionaries meeting

Greetings to you all in the name of our Lord Jesus Christ.

I write to inform you that the postponed meeting for all medical missionaries will now be held at Waigani Church this Sabbath on the **16<sup>th</sup> of June, 2018**. Time will be from **1:30 pm – 3:00 pm**. The meeting is basically to discuss our availability during the **Mission 18 Celebrations** that will be held at Bautama from the **21<sup>st</sup> June – 2<sup>nd</sup> July, 2018**. The actual clinic will commence from **24<sup>th</sup> June – 01<sup>st</sup> July, 2018**.

The mission focus is slightly different from all the major missions that we have always being involved in. We will only be providing general clinical care and standing by for any emergency cases.

Kindly pass the word around to our other colleges whom I have not included.

Thank you and blessings.

Dr Gwaibo
