

September 9th 2018 Children Ministry Shine Service Project
Equipping Missionaries for Ministry for today, for tomorrow and for Eternity

Serve Him In Everything is all about making a difference in the lives of others.

There are so many opportunities we can find each day to help those all around us through the things we do and say. One of the strategy of the Children Ministry in CPC is to teach children the important aspect of involving Children in Ministry and service.

The Shine Service project for this year is in September 9 will focus on our churches. We can make a huge difference to our church community in many different ways.

Shine Service Project is one of the initiatives of the South Pacific Division which has been adapted by the Children Ministries of Central Papua for the last 5 years. It is one of the strategy of the Children Ministry Action plan in the corporate plan to train and involve children in Service and Mission. This year we will celebrate the 5th year of the Shine Service Projects.

Within the 4 years Shine Service projects were carried out according to the objectives and outcomes of what was stipulated in the 5 Year action plan for the Children Ministries. In the four years from 2014 to 2017 the areas of Shine Service projects were conducted in;

1. **2014 – Home environment**
2. **2015 – Local church & Community**
3. **2016 – Remote Districts of CPC**
4. **2017 – urban District – National Capital District**
5. **2018 – CPC Wide – All Districts**

Many lives have been touched through the various Shine Service projects including non-Adventist villages. The spin off blessings from such activities is huge therefore we want to praise God for impressing on our minds the best possible activities we can focus on through the years. May we continue to shine for Jesus through the shine activities.

3. There are two parts to this Shine Service Project. Part A is to minister through acts of service to the Adventist Missionaries AND Part B is to minister to the non-Adventist Clergy. As a leader you will divide the children and the church family to two groups. One group for Part A and the second group for Part B.
4. On Sunday the **9th of September Group A** of your local church will give a surprise visit to the Pastors homes with anything important that the lord will impress each leader to organize for the Children and the church to give to their Pastors.
5. Do a short program for the day's activities and involve Children to participate in the program.
6. PART B. Part B involves ministering to the non-Adventist Clergy. Do a little survey in your church vicinity and find out about the non-Adventist churches that are close by your Church. Group B will visit the homes of the non-Adventist clergy. Before this visit let them know that you will be visiting on the **9th September. One of the gifts to resource the non-Adventist clergy with is the Seventh-day Adventist Ministers Bible. The Bible cost K150.00 from the Adventist Book Shop and the Women's Study Bible cost K220.00. These Bibles will be given to the non-Adventist clergy and his spouse during this visit.**
7. Divide the children and families in your local church into group A and group B and reach out to the two groups on the 9th of September 2018.
8. **Divide the total cost of the Bibles by the number of children in your local church and advise how much each child and family will donate to purchase these Bibles.**

Example: The total cost of the Bibles are K150.00 and K220.00. If you have a total of 60 children in your local church, divide them into two groups. Group 1 will contribute K5.00 each for the Ministers Bible and Group 2 will contribute K7.40 for the Women's Study Bible.
