SUBJECT: Ministry to Grades 8, 10, 12 Students Preparation for 2018 National Examination

PURPOSE:

This circular has been written and sent to the local Churches with Education Department Leaders as information of the National Examination Dates for Grades 8, 10, 12 students who may be members in your local church.

October 8 – 12....Grade 10 Examination

October 15 – 19Grade 12 Examination

October 22 – 25.....Grade 08 Examination.

I invite all the local churches to please note that these examinations are extremely important to these students. Their journey in formal academy may begin and end as they stand at the cross roads of the approaching national academic assessment. They are today's elite members of your Church for tomorrow's leaders and I urge you as current leaders in the Church to hold them and influence them to grow and remain in Church for Jesus.

I humbly thank the local Churches that have created Education Department Leader and has received a booklet that outlines some of the Standing Activities of Students in Schools and have been able to do something for the students in your local Church so that students see their Church and the school are connected.

Refer to the information booklet but here are some activities you could do:

1. October 6th be a Sabbath of special prayer and dedication for them
2. The local Church is the PARENT of these student members. Prepare a little gift for them:
 - 2.1 A gift of a lunch for them
 - 2.2 Gift them with – a blue & black biro, a pencil, a ruler etc to use in Examination
 - 2.3 work with women's' ministry department in your church to hold a prayer fast for them
 - 2.4 Write a prayer card for each of them, or a Bible promise to give.
 - 2.5 Or share ideas and take it from there.

Every location and situation is different but something simple can be done in creating memorable moments to hold students in Church wherever they may go after their life in your local Church.

Thank you for working with God in reaching and holding students for life!

Sincerely
