

SEVENTH-DAY ADVENTIST CHURCH

Adventist Communication

Circular – ClickTV 05/18

To: District Directors, School Principals
Local Church Pastors (Boards), and
Local Church Communication Secretaries in CPC

From: Conference Communication Director

Date: 19th September 2018

Subject: **CLICKTV SUBSCRIPTION FEES WITH LOCAL CHURCHES**

As of July 2018, the Conference will no longer be paying for subscription fees for local churches to view programs on our ClickTV dishes.

The contract between ClickTV and CPC, which allowed churches and schools the liberty to view as it had in the past, has expired. Upon reviewing the new contract offer with option to renew, the Conference administration has considered the following:

1. Most churches are not watching regularly due to a host of reasons (missing equipment, lack of reliable power etc.)
2. Committing to a renewal of such substantial amount under existing conditions would not be a case of good stewardship of resources
3. Due to the commitment made by the Conference in purchasing the actual hardware and in installing in the 230 sites throughout the Conference, the time has come for local churches, schools and districts to take responsibility for its sustenance.

Therefore, all local churches/schools in the Conference are to organize with their respective District Directors to ensure their fee of **K80 monthly subscription per dish** is payable to ClickTV office at 4 mile. Include your **church name, contact details** and decoder's **CDSN** with your payment so your church/school can enjoy viewing through the ClickTV dishes. Please complete the attached **Form 1: ClickTV** survey form as well.

Finally, ClickTV has included **3ABN** alongside **Hope Channel** onto their subscription package. Please ensure our members do not miss out on this opportunity.

May the good Lord continue to bless our efforts and commitment in the last remaining days of earth's history.

Yours sincerely,

Russell M. Woruba
