RE: SPECIAL MESSAGE - COVID-19 PANDEMIC SoE ORDERS RELAXED

I greet you in the name of our Lord and Saviour Jesus Christ.

During the lockdown period, since 24th March 2020, and in last three (3) months, the National Government through the SoE Controller imposed strict Orders for the public to comply due to the Coronavirus or Covid-19 Pandemic. As a believing church on health messages, we have with much respect, complied to the health precautionary measures as per the SoE Orders. Praise God for such a spirit of obedience.

The Conference Church also refocused on worship plans during the time. Despite the challenge of closing churches for cooperate worship however we remained a church through home churches and small groups. The pandemic affected many of our families, businesses, communities, and our way of life but we thank God today. Our faith and trust in Him was our victory and will always be.

Thank you Church Leaders for obeying and applying the instructions of SoE in your various local churches and accepting directives from the CPC Administration to worship in homes and in small groups, maintain church ministries, and administration protocols. To God be the glory for He has blessed us during the SoE period and will always do as He has promised.

No matter how frustrating, confused, or in fear of the pandemic the Conference Church had experienced, it continued to share the love of the great Saviour. Every need in the world is on Open Door to share God's love. That is why 1 John 4:8 says, "There is no fear in love, but perfect love casts out fear." That is exactly what we have done during the SoE period.

As the SoE orders have been relaxed, I wish you God's blessings as the Holy Spirit leads your leadership and service in His church.

Sincerely yours in His Holy name

Pr Kove Tau
